

Production Manager

Salary Circa £50+, Highly Competitive Benefits Package, Bonus - Plymouth

The Wrigley Company is a recognised leader in confectionery, We operate in over 40 countries and distribute our world-famous brands in more than 180 countries. You'll recognise our well loved brands which include Extra®, Airwaves®, Orbit®, Hubba Bubba®, Skittles®, Starburst® and Locketts®.

This is an exciting time for Wrigley as we now operate as a subsidiary of Mars Incorporated. The combination of Mars and Wrigley brings together two strong international food businesses creating a wealth of opportunities. The position is based in Plymouth.

The Production Manager is a senior management role and part of the site leadership team. The Production Manager leads and integrates the efforts of the operations team to coordinate the area resources across multiple shifts and assure a quality product is safely manufactured in sanitary conditions. The Production Manager is responsible for managing the area within cost goals and produce sufficient quantities to meet our customer's demands with motivated and engaged associates.

You will be an inspirational manager and work with all team leaders to ensure that they are engaging their teams, manage the efforts of operating teams of individual lines or technologies across multiple shifts in the efficient conversion of materials into quality products in a safe, secure and sanitary manner within the product design specifications and budgets.

You will possess strong influencing and communication skills and be comfortable working with complexity and ambiguity.

Ideally you will possess an advanced degree, a minimum of 3 years experience in a food production environment, a knowledge of Food and Drug Laws and EU requirements. You will also have a thorough technical knowledge of process, equipment, controls and products.

If you are interested in applying for this position please send your CV and covering letter to [Angela Whitworth@wrigley.com](mailto:AngelaWhitworth@wrigley.com)

Closing date: Friday September 3rd, 2010. Full Job Description is available on request.
