The Wrigley Company is a recognised leader in confectionery, we operate in over 40 countries and distribute our world-famous brands in more than 180 countries. You'll recognise our well loved brands which include Extra®, Airwaves®, Orbit® and Hubba Bubba®.

This is an exciting time for Wrigley as we now operate as a subsidiary of Mars Incorporated. The combination of Mars and Wrigley brings together two strong international food businesses and as part of this move we have brought more famous brands including Skittles®, Starburst® and Locketts® into our portfolio.

It's a great time to join us and be recognised as part of our dedicated and passionate sales team. We offer an excellent benefits package and we will invest in you, providing you with continuous training and development.

### So here's your challenge:

- Drive sales across the grocery, wholesale, convenience and independent retail channels
- Increase product visibility, distribution and availability
- Manage your territory effectively

### To succeed, you'll need to be:

- Passionate about selling and achieving results
- Able to identify priority tasks and take positive action
- Focused on business objectives and committed to delivering them

## Time to refresh your future?

Then email your CV to our retained consultant at [wrig12@pursuitnha.com](mailto:wrig12@pursuitnha.com)

All third party CVs or direct applicants will be forwarded to Pursuit NHA.

*The Wrigley Company believes in and embraces diversity acknowledging that it is critical to our success.*
